

BACKBONE BONE SNAPPER BOURBON

Straight Rye Whiskey

First launched in 2011, **Bone Snapper** has become our biggest selling whiskey. The age of this whiskey is critical to its flavor profile. We target bottling Bone Snapper around the 30 month mark. At this age, we find a zestful spice and a herbaceous succulence with hints of further richness to come. We are adamant about presenting this whiskey at 108 proof and no lower. Not only does this help make it a wonderful drink on its own but it also has the strength to shine through in a well-made cocktail. Remember our founding principal - extra proof = extra flavor. We also received some of our most cherished press on Bone Snapper. Early in its life, we got an unexpected review from Maxim Magazine. The reviewer came up with a perfect description for Bone Snapper that simply sums it all up:

Mash-Bill or Blend: 95% Rye & 5% Malted Barley

Distillation State & City: Lawrenceburg, IN

Proof: 108

Current: BATCH #11

Cases Produced: 1,056

Tasting Notes: On the nose are notes of cinnamon, rye bread, and leather. Spice from the rye is present up front with notes of anise and more subtle spices of orange peel and marmalade. This whisky has a bold finish that provides a wonderful ZING and a comforting warmth all through your body.

Something about having a stout bottle with a huge label that reads "BONE SNAPPER RYE WHISKEY" just screams, "I am a scholar, a romantic, and an occasional pillager." Maxim / Fox News Press – Top 5 New Ryes of 2013. (By Quinn Myers / published April 2013)
