

BACKBONE UNCUT BOURBON

Straight Bourbon Whiskey

Backbone Uncut is our flagship bourbon and our first product ever launched (2010). We have done the exact same thing since batch# 1 – we bottle 10 x 53 gallon barrels at a time with minimal filtration and DON'T add a drop of water. We will let you add the water but we are firm believers that barrel proof whiskies have MORE flavor. Period. This is a central theme in our company and a guiding principle in everything we offer. Batches of Backbone Uncut are typically between 5 and 6 years old.

Mash Bill Or Blend: Corn 75%, Rye 21% & Malted Barley 4%

Distillation: Indiana

Proof: 115 proof

Current Batch: #22

Cases Produced: 291

Tasting Notes: Fresh oak and vanilla fill the nose, with a rich, caramel and oak taste. This bourbon finishes very smoothly, especially given the proof, which feels decadent and warm.

Backbone Bourbon Uncut Straight (Batch 15), 58.3%

Bourbon/Tennessee | \$59 Oh boy! Rising rolls, cakes baking in the oven, whipped cream, icing, citrus, and chocolate fill the nose. Then the palate confirms this tapestry of goodness with vanilla cake batter, brown-sugar butter over yeast rolls, caramel icing, and cinnamon sprinkles. If not for a backbone of beautiful spices layered in between, this whiskey stands as a confectionery delight. As it is, the velvety structure, concentrated notes, and long spicy finish make it a must-have sipper.
