UNCUT Straight Bourbon Whiskey

Bourbon/Tennessee | Oh boy! Rising rolls, cakes baking in the oven, whipped cream, icing, citrus, and chocolate fill the nose. Then the palate confirms this tapestry of goodness with vanilla cake batter, brown-sugar butter over yeast rolls, caramel icing, and cinnamon sprinkles. If not for a backbone of beautiful spices layered in between. A must-have sipper. —Ted Simmons

# BACKBONE BOURBON

UNCUT Straight Bourbon Whiskey

**Backbone Uncut** is our flagship bourbon and our first product ever launched (2010). We have done the exact same thing since batch #1 – we bottle 10 x 53 gallon barrels at a time with minimal filtration and DON'T add a drop of water. Batches of our Backbone Uncut are typically between 5 and 6 years old.
